

## HW 5 – 20 Points

### Finishing the Birthday Paradox Simulation

Due Date: Friday April 1, 2022 by 9:20AM.

Finish the **simulation.s** file we started in class this week.

#### What to turn in

Rename the **birthday** directory we created in class to **hw5** and commit and push all of the relevant **.c**, **.s**, and **.h** files to your repo.
